Dear Mr. Morisy:

This acknowledges receipt of your 4 August 2017 letter for the status concerning your 25 October 2013 Freedom of Information Act request for **“a copy of any ethics opinions requested by Gen. David Petraeus from this agency’s ethics board, or any other group which routinely reviews staff requests for conflicts of interest or ethics reviews.”**

Due to an administrative oversight, we failed to respond to request for a status update in a timely way. We apologize for the delay. Please be assured that your request is still in process, and that we are making every effort to complete it as soon as possible. Our records show that we provided you with a previous estimated completion date of 19 February 2018, which has expired. Therefore, we checked on the status of your case and have been provided an updated estimated completion date of 3 March 2021 (which is subject to change). If you do not receive a response by that date, please contact us. Meanwhile, we appreciate your patience and understanding while we continue to process your request.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Lilly".
